Crisp, high quality graphics and text make your ad more effective. We will do the layout and we will set the text for your ad; for your business logo and other images, please supply us with high resolution image files in any of the popular graphics formats (.tiff, .jpeg, .png, or .pdf). Send them as email attachments, mail them on CDs, or upload them to <http://public.me.com/barrylium> (see upload instructions on our web site at <http://www.clearlakeschorale.org/aduploads.html>). Your ad salesperson will be happy to help you get the files to us.
